

# Cat Registration Application

**Moon City Pet Control  
2012 Galaxy Drive NW  
Solar System, MW 190000**

Under the wild species protection act, all cats are required to be kept indoors or attached to a leash no longer than 6 meters when outdoors. Cat are restricted from preying on any native lunar species and any predation by a cat resulting in loss of life by a lunar organism must be reported to Moon City Pet Control within 48 hours.

As owner, I Michael Strunk agree to provide full supervision when taking my cat outdoors or ensure that the cat is not allowed to go outside unattended. If it is determined by the species control board that my actions were negligent, the cat Devil Cat will be required to attend remediatory counseling and I Michael Strunk will attend no less than 10 wildlife rehabilitation volunteer sessions at the nearest lunar species rehabilitation center signed on this the 10th day of the 1st month of the year 2019.
